INTRODUCTION

Welcome to the City of Commerce City's Popular Annual Financial Report (PAFR). The PAFR is a summary of financial highlights and activities for the fiscal year 2022 that are drawn from financial statements reported in the Annual Comprehensive Financial Report (ACFR). The ACFR is a more detailed and complete financial presentation prepared in accordance with Generally Accepted Accounting Principles (GAAP) and was audited by the city's independent external auditors.

The PAFR is an unaudited document, and while the financial data in the ACFR conforms with GAAP, the PAFR does not include fund-level details and disclosures that are required by GAAP. This report presents the city's financial information in a readily accessible and easy to understand manner, designed to provide a meaningful recap of the city's 2022 year-end financial status.

Additional financial information can be found in the ACFR, available at city clerk's office and online at c3gov.com/FinancialReports.

If you have questions regarding this report, contact the Finance Department at finance@c3gov.com or 303-289-3627.
